

## 2013 Wild West Throw Down

### Sponsorship Packet

This competition is going to be the first of its kind for Southwest Kansas. After attending mud runs and other CrossFit competitions hours away from our own town we found that there was a draw for such competitions right here in Southwest Kansas. We are inviting gyms from near by small towns but also some gyms from Nebraska, Texas, Colorado, and Oklahoma on September 27 and 28. This is a team competition with one WOD on Friday and three on Saturday. The teams are comprised of 3 women and 3 men. There will be a scaled and an RX division. We have capped our teams this year at 16 bringing in 96 competitors and all their followers! We chose to do this to make sure we had good control over this event. Sorry but the WODS must be kept secret until the event which is typical of a CrossFit competition.

We will award 1st, 2nd, and 3rd prize packages in both scaled and RX divisions a total of 36 people. We are also putting together competitor bags that each competitor will receive upon registration. If you wanted to include some sort of advertising, coupon code, or gift we would be glad to include it into those bags (please provide 100 of whatever you want to put in there)! If we get enough sponsorship from your company we will also include your name and vectorized logo (needed by August 15) on the back of all the competitor shirts and shirts to be sold at the competition! Also, shout outs on Facebook!

We would love to have some vendors to set up booths. We are currently working with a few people to get some booths going. I have attached our sponsorship packet to this email. We are new at this as well so we are open to whatever you have to offer.

We truly appreciate anything you can do for us and look forward to hearing from you! In the mean time if you want to check our progress see our website [www.crossfitruk.com](http://www.crossfitruk.com) or our facebook page CrossFit RUK and the event page for the Wild West Throw Down also on Facebook!
